About our Organization

The Brownson House, Inc. is a 501-c3 non-profit organization established in 1926 and have been serving the youth and adult athletes in the City of Washington, Pennsylvania. We operate two facilities that provide a diverse set of programs. The Brownson House located on Jefferson Avenue, is a gymnasium, field, and playground and the Vernon C. Neal Sportsplex located on Dunn Avenue in the Washington Park, is an indoor turf field which is also covered with a mutli-purpose floor for the summer months. Between our two facilities, we provide programming for youth teams throughout western Pennsylvania, northern West Virginia, and eastern Ohio. Approximately 4,000 adult and student athletes participate in our programs every year.
